

LIVE INTERACTIVE WEBINAR

FALTERING GROWTH IN INFANCY THE USE OF A SYMPTOM CHECKER TO DEVELOP A NUTRITION CARE PLAN

Nutricia is delighted to invite you to a **live and interactive webinar** discussing the role of Energy Nutrient Dense formula in the management of **infants with or at risk of faltering growth**. There will be a particular focus on the use of a symptom checker to aid the development of an **appropriate nutrition care plan** – including when to choose an intact vs hydrolyzed protein formula.
